## Mission, Vision and Approach

Nemaï Chandra Pramanik  
Chief General Secretary

Rita Paul  
General Secretary

The Central Calcutta Science & Culture Organisation for Youth was established with a motive for carrying on social, voluntary and philanthropic work and also to promote the cause of science & culture among the masses. To further this aim the organisation regularly arranges workshops and self-employment trainings to search out promising talents in different fields of Science & Culture and encourage them blossom in life.

With this aim, we also had held National Seminars in cooperation with different Ministries, Govt. of India. We regularly felicitate different eminent Scientists with 'Vigyan Ratna' & 'Young Scientist Award'. We also arrange for yearly state level various cultural competitions. Every year we have had organized workshops on Recitation, Bengali Song, Creative Dance, Recitation, Art and Jute Craft etc. We regularly felicitates Cultural personalities with different awards, we also observes the birthdays of great scientists and poets.

We also regularly distribute free textbooks and scholarships to needy and meritorious students and arrange for awareness programmes on health, nutrition, water etc., as a part of our regular schedule to the cause of serving the society.

We had also organized a three days 'International Conference on "Aquatic resources and Sustainable Management" (ICARSM)' on 17 to 19 February, 2016 at Science City, Kolkata, West Bengal. The Conference had been attended by eminent scientist, researchers, professionals, farmers and policy makers from different fisheries Institute and also different Universities of West Bengal and throughout India. A group of experience foreign scientists from Malaysia, Norway, Israel, Spain, Thailand, Nepal, and Bangladesh etc. participated at the aforesaid International Conference.

For the last 22 years, we have been organizing National Exhibitions at different places in Kolkata and surrounding area, different Departments, Ministries and PSUs are participating at this National Exhibition. The aim of the National Exhibition is to inform the students and the youth, academicians, scholars, scientists and general public about the latest developments in the country and achievements of different Government Departments and Public Sectors in their respective fields. The Indian Army, Indian Airforce and Indian Navy are participating at this Nation Exhibitions every year and they also provide career guidance to the young enthusiast people who aspire to become defense personnel.

Apart from these our organisation has also been regularly arranging for All India Student & Youth Festivals at different places of India where students and youths from all corners of India take part. The subjects of the training aim at self development of Youth Leadership and mutual exchange on cultural ties between the participants hailing from different provinces of India. This festival includes a week long National Integration and Youth Leadership Camp, and a series of seminars on relevant topical interest. We have an intention of arranging more self-development programmes and cultural exchange with other states. We also intend to find out young talents from all corners of the state and help them to get established.

This year we are going to organize our National Integration and Youth Leadership Camp on the occasion of the All India Student & Youth Festival, from 25<sup>th</sup> to 31<sup>st</sup> December 2019 at Atomic Energy Central School Kudankulam, Anuvijay Township, Tamilnadu. The camp will be attended by 200 participants from different provinces of India and 300 students from various schools and colleges of Tamilnadu. Eminent scientists and cultural personalities and dignitaries will be present on different days of the National Integration Camp. Last year we had organized the such National Integration Camp at Atomic Energy Central School, Kakrapar, KAPS Township, Anumala, Vyara, Tapi District, Gujarat-394 651.

Our aim is to propagate our mission and offer our service to the students and youth. We had brought for them eminent experts to offer them the best of trainings on different fields. In this way we hope to contribute for the enhancement of the students and youth and offer them a glorious life in future.

With the kind help, cooperation and support from Ministry of Home Affairs and other Departments, Ministries, PSUs of Government of India and also State Government and people of all corners of the society, we will be able to materialize the programmes for the betterment of the people and society at large.

## **MESSAGE**

I feel very happy to know that, the 'Central Calcutta Science & Culture Organization for Youth' 10D, Ananda Palit Road, Kolkata 700 014, are engaged in educational, scientific, cultural and social activities is organizing the '22<sup>nd</sup> National Integration Camp' from 25<sup>th</sup> to 31<sup>st</sup> December 2019 at Atomic Energy Central School Kudankulam, Anuvijay Township, Tirunelveli District, Tamilnadu-627120 in cooperation with Nuclear Power Corporation of India Ltd. and Govt. of India.

For the last 21 years, the Organization has been very successfully holding such National level Camps at different parts of India. The subjects of the training aim at self development of Youth Leadership and mutual exchange on cultural ties between the participants hailing from different provinces of India.

I would expect that, like every year this year too various Departments, Ministries and PSUS of Government of India will extend their active support and hearty cooperation to make the National Integration Camp a grand success.

In the interest of our youth, especially the students I extend my cordial invitation to all of you to attend the National Integration Camp and to witness the lifetime experience.

Dated : 02 August 2019

**(Professor Saugata Roy)**

**PROF. SAUGATA ROY**  
**MEMBER OF PARLIAMENT**  
**LOK SABHA**

## Aims and Objects

1. To impart awareness in Science & Technology.
2. To rouse awareness about the Cultural Heritage of our Country.
3. To lend a helping hand to poor meritorious students and the aged, sick and helpless.
4. To foster the pursuit of Literacy, Scientific and Technical Education.
5. To promote Scientific and Cultural projects of the Central and State Government.
6. To observe the birthdays of great people and popularize their ideals among the masses and also observe the Republic and the Independence Day to generate the spirit of nationalism.
7. To arrange for lectures, workshops, seminars, exhibitions etc. at National Level, relating to Science and Culture and publish papers, bulletins, magazines etc.
8. To offer trainings in Self-development Schemes, Youth Leadership & National Integration.

## About National Integration Camp

The National Integration Camp are being held for the last 21 years since 1998. We had these camps at different places of West Bengal. For the last 10 years we are arranging the camps at different states of India outside West Bengal.

The participants are mostly students of the age group of 14 to 25 years. The subjects of the Training Camp are carefully chosen to impart awareness on maintaining a healthy life style and also to be somewhat economically self-supporting. The trainings on first aid and civil defence teach the students to be socially useful in times of any social crisis such as accident or epidemic or natural calamity. The trainings on dance, song, recitation etc. lead to their cultural and mental amelioration. Apart from all these, staying in a camp, teaches them discipline, timeliness, mutual co-operation & friendliness and power of adjustment in short lessons of life that are not otherwise included in our modern-day school curriculum. Also mixing with students of other states, sharing their culture in a multi-racial, multi-lingual, multi-fooding and multi-cultural country, like India help to develop a sense of unity in diversity and imbibe the cultural heritage of India in their tender and formative years of their life, which in the long run will help in the making of a strong and unified India of tomorrow. So participation at such a camp will be a self-rewarding and enriching experience to be cherished by them for a lifetime.

## Previous National Integration Camps

2018 Atomic Energy Central School, Kakrapara, KAPS Township, Anumala, Tapi, Gujarat
