IN THE SERVICE OF THE NATION

The "Central Calcutta Science & Culture Organisation for Youth" is a reputed social, voluntary, philanthropic and Science & Culture- based activity-oriented, registered society. It is carrying on untiring efforts to promote interest in Science & Culture among the youths since our birth in 1996. The organization regularly arranges for seminars, workshops, trainings on self-development, lectures, debates, exhibitions and distribution of text books & scholarship to needy meritorious students and to lend a helping hand to poor, aged, sick and helpless etc. as a part of its dedicated services to the greater community.

We have the pleasure to inform you that, earlier we had organized many National Seminars like

- "Hi-tech in Rural Development" in cooperation with Ministry of Rural Development, Govt. of India
- "Water and Arsenic Pollution" in cooperation with the Ministry of Water Resources, Govt. of India
- "Ganga Pollution" in cooperation with the Ministry of Environment & Forests, Govt. of India
- "Application of Bio-technology in Marine and Estuarine Environment" in cooperation with Department of Bio- Technology, Govt. of India
- "Green Technology and Bio-diversity Conservation" in cooperation with the Ministry of Environment & Forests, GOI

Apart from these we also aim to promote schemes on rural development, pisciculture, animal husbandry, biological waste treatment. We had held mobile arsenic testing camps in arsenic prone areas of West Bengal and organized seminars on arsenic awareness.

We had organized a three days 'International Conference on "Aquatic resources and Sustainable Management" (ICARSM)' on 17, 18, and 19 February, 2016 at Science City, Kolkata, West Bengal. The Conference had been covered all the areas of fish & fisheries of inland, open water, coastal & marine environment in the form of presentation & discussion by eminent scientist, researchers, professionals, farmers and policy makers from different fisheries Institute and also different Universities of West Bengal and throughout India. A group of experience foreign scientists from Malaysia, Norway, Israel, Spain, Thailand, Nepal, and Bangladesh etc. participated in the aforesaid International Conference.

We also arrange for yearly state level competitions on Science Model, Quiz, Recitation, Sit and Draw, Creative Dance and One Act Drama. Since our inception, every year we have had workshops on Recitation, Shrutinatak, Bengali Song, Creative Dance, Classical Dance, Art and Jute Craft., News Reading, Journalism, Anchoring etc. Every year we arrange Cultural Utsav at different places of West Bengal and publish Audio & Video CD on various cultural subjects.

We also conferred awards to eminent scientists and cultural personalities

- Vigyan Ratna--- * Professor Bikash Sinha, * Professor Shankar K. Pal, * Dr. Sreekumar Banerjee
* Professor Samir K. Brahmachari, * Professor Siddhartha Roy.
- Sahitya Ratna -- * Sirshendu Mukhopadhyay
