IN THE SERVICE OF THE NATION

The “Central Calcutta Science & Culture Organisation for Youth” is a reputed social, voluntary, philanthropic and Science & Culture- based activity-oriented, registered society. It is carrying on untiring efforts to promote interest in Science & Culture among the youths since our birth in 1996. The organization regularly arranges for seminars, workshops, trainings on self-development, lectures, debates, exhibitions and distribution of text books & scholarship to needy meritorious students and to lend a helping hand to poor, aged, sick and helpless etc. as a part of its dedicated services to the greater community.

We have the pleasure to inform you that, earlier we had organized many National Seminars like

- “Hi-tech in Rural Development” in cooperation with Ministry of Rural Development, Govt. of India
- “Water and Arsenic Pollution” in cooperation with the Ministry of Water Resources, Govt. of India
- “Ganga Pollution” in cooperation with the Ministry of Environment & Forests, Govt. of India
